Detailed Action

1. This amendment is in response to the RCE entered on October 21, 2009.

Reasons for Allowance

2. Claims 1-8, 10-16, and 18-25 are pending and are allowed. The following is a statement of reasons for the indication of allowable subject matter:

The closest prior art of record are Hall (U.S. Patent 7,085,735). Which teaches a method for issuing a loan including closing it electronically but does not get into detail regarding the auditing of the data necessary to close the loan. While some of the examples were rather general and may have been obvious matching a title insurance company was very specific to a mortgage loan.

Regarding claims 1, 13, and 19

3. Hall taken individually or in combination with other prior art of record fails to teach or render obvious the claims.

Regarding all other claims:

Since claims 2-8, 10, 11, 13-16, and 18-25 are dependent upon claims 1, 13 or 19 respectively, these claims are also found allowable.

Regarding all allowed claims:

This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).
